Chamberlain's Cough Remedy.

This is not only one of the best
and most efficient medicines for
coughs, colds, croup and whooping
cough, but is also pleasant to take,
which is important when a medicine
must be given to children. Cham-
berlain's Cough Remedy has been
in use for many years and has met
with much favor wherever its good
qualities have become known. Many
mothers have given it their unquali-
fied endorsement. Wm. Scruby,
Chillicothe, Mo., writes: "I have
raised three children, have always
used Chamberlain's Cough Remedy
and found it to be the best for colds,
coughs and croup. It is pleasant to
take. Both adults and children like
it. My wife and I have always felt
safe from croup with it in the
house." Chamberlain's Cough Re-
medy contains no opium or other
narcotic.

When The Day Is Over

When the
household
chores and the
worries of
everyday life
have made you
tired and
unhappy, and
there is nothing
in the but
headache, backache and worry, then
to the right prescription, the good one by
Dr. Pierce's fifty years ago.

Everything growing out of the ground
seems intended for some use in estab-
lishing natural conditions. Dr. Pierce, of
Buffalo, N. Y., long since found out what
is naturally best for women's diseases.
He learned it all through treating thou-
sands of cases. The result of his studies
was a medicine called Dr. Pierce's Favor-
ite Prescription. This medicine is made
of vegetable growths that nature surely
intended for backache, headache, weak-
ening, bearing-down pains, irregularities,
pelvic inflammations, and for the many
disorders common to women in all ages of
life. Dr. Pierce's Favorite Prescription is
made of lady's slipper root, black cohosh
root, unicorn root, blue cohosh root and
Oregon grape root. Dr. Pierce knew,
when he first made this standard medi-
cine, that whiskey and morphine are in-
jurious, and so he has always kept them
out of his remedies. Women who take
this standard remedy know that in Dr.
Pierce's Favorite Prescription they are
getting a safe woman's tonic so good that
druggists everywhere sell it, in liquid or
tablet form.

Normal Weight

Perhaps you are worried because
your child does not pick up in
weight? Better try

Scott's Emulsion

and watch how it helps make
a thin child grow and put on
weight. There is nothing quite
so strengthening as Scott's
Emulsion for a child of any age.

Camel CIGARETTES

18 cents
a package

Smokers realize
that the value is in
the cigarettes and do
not expect premiums
or coupons!

Camels are sold everywhere
in scientifically sealed pack-
ages of 20 cigarettes; or ten
packages (200 cigarettes) in a
glassine-paper-covered carton.
We strongly recommend this
carton for the home or office
supply or when you travel.

If you want to know what rare and
unusual enjoyment Camels provide
smoke them in comparison with any
cigarette in the world at any price!

CAMELS are a cigarette revelation any
way you consider them! Take quality,
or refreshing flavor and fragrance; or, that
wonderful mellow-mild-smoothness you
never before got in a cigarette smoke! Yet
Camels are so full-bodied and so full-of-
satisfaction you marvel that so much de-
light could be put into a cigarette!

Camels expert blend of choice Turkish
and choice Domestic tobaccos makes them
so irresistibly appetizing! And, the blend
explains why it is possible for you to smoke
Camels liberally without tiring your taste!
You will prefer Camels to either kind
of tobacco smoked straight!

You'll realize pretty quick, too, that
among the many reasons you smoke Camels
is their freedom from any unpleasant ciga-
retty aftertaste or unpleasant ciga-
retty odor!

Once you know Camels you won't
take much stock in premiums, coupons
or gifts! You'll prefer Camel quality!
